

HTS is a place where...

Therapists are valued and patient care comes first. We want you to feel confident and supported every day so that you can provide the best care to your patients.

Our clinical programming, outstanding management team, comprehensive benefit package and ongoing commitment to your professional development is why HTS continues to be the employer of choice for over 1500 therapists in the midwest.

Therapist owned and operated since 1987, we understand the importance of keeping you connected to clinical resources, industry change and best practices. Our programs and benefits were designed for therapists, by therapists...so you always feel supported.

HTS provides physical, occupational and speech therapy services in the following settings:

- Skilled Nursing Facilities
- Continuing Care Retirement Communities
- Independent & Assisted Living Campuses
- Acute Care Hospitals
